Thayer County Fair
August 8-10, 2019

We would like to invite you to be a part of the Thayer County Fair in Deshler on August 8th, 9th, and 10th. Please keep in mind that there is only one representative for each company or product allowed. If you can't be there all three days, we would love to have you for a couple days if that works for you!

This is an excellent opportunity to get your business and crafts out into the public. The cost for inside booths is as follows: singles (8'x8') are \$50 and doubles (8'x16') are \$100. Tables, chairs, and electricity are included in this cost.

- Balloons are not allowed inside to give out to the public.
- The Activity Center is air conditioned.
- Enter in the double doors on the West side of building.
- Set up times during the fair: TUESDAY, August 6th between 5 p.m. – 8 p.m. or on WEDNESDAY, August 7th between 8 a.m. – 2 p.m. Some judging will be going on from noon until 5 p.m. on Wednesday, August 7th so if you are setting up during this time, please be quiet.
- There is usually no need to have anyone in your booth until 4 p.m. Each night we will lock the doors at 10 p.m. If you wish to be at your booth during the day, you are more than welcome. There are people who come in and out during the day. The Activity Center is always locked, unless a Fair Board Member is present during the day to make sure your items are safe.
 - Suggested Booth Hours:
 - Thursday: 4-10 p.m.
 - Friday: 4-10 p.m.
 - Saturday: 4-10 p.m.
 - These times are merely suggested, you are welcome to be at your booth as you wish throughout the fair.
